GENERAL INFORMATION

Winter 2009

Instructor: D. Wheeler (dwheeler@sfsu.edu)

Text: *ANALYTIC TRIGONOMETRY with Applications*
by Barnett, Ziegler and Byleen

Equipment: TI-86 or equivalent

Attendance: You are expected to stay for the entire period. Should you stop attending you will not automatically be dropped. It is your responsibility to drop the class. Make sure that you sign the attendance sheet every day.

Exams: Three exams will be given with no make-ups. If an exam is missed under extreme circumstances and for a very valid reason, an equivalent of the final exam score will replace the missing exam score.

Homework: Homework will be assigned at each class meeting. Homework will not be collected.

Final Exam: A two-hour comprehensive final exam will be given. Any student who misses the final exam and does not contact the instructor will receive an F in the course.
